LAURA REICH JOINS TENZER PLLC TO HEAD LITIGATION PRACTICE

MIAMI – April 23, 2015 – Tenzer PLLC, a leading South Florida law firm, today announced that Laura Reich has joined the firm to head the firm’s litigation practice.

Reich will focus her practice on complex commercial litigation and arbitration issues. She counsels clients on a wide-spectrum of disputes, including those in the hospitality and real estate industries. Reich represents parties at all stages of their disputes, from pre-suit investigations and demands through appeals.

Before joining Tenzer PLLC, Reich practiced for nearly a decade in the disputes department of White & Case in Miami. She represented foreign and domestic companies and individual clients on a wide variety of issues, including breach of contract, breach of fiduciary duties, and violations of consumer protection statutes - in both litigation and arbitration. Reich frequently teaches and presents on issues of international law and arbitration. She received White & Case Miami’s pro bono award for three years for advocacy on behalf of children in Florida’s foster care system.

“We are excited to have Laura join our team and believe she will be a tremendous asset to our firm as we continue to grow our clientele around the globe,” said Ari Tenzer, founder of Tenzer PLLC. “Her expertise and breadth of knowledge of a wide range of litigation matters allows us to better serve our clients in all of our key markets.”

Active in the legal community, Reich is an executive committee member of the International Law Section of The Florida Bar, a member of the Miami International Arbitration Society, a coordinator for “Legal Line,” a pro bono project of the Dade County Bar Association, and an active supporter of Florida’s Children First. She has been named a *Super Lawyers Magazine* “Rising Star” from 2012 through 2015.

“I’m thrilled to be a part of a group of sophisticated, exceptional lawyers who are committed to developing meaningful, ongoing relationships with clients and are simultaneously devoted to providing the highest quality legal counsel,” added Reich. “This truly distinguishes Tenzer and I look forward building my practice at the firm.”

She holds a law degree, *with honors*, from the University of Florida Levin College of Law and a bachelor’s degree, *with the highest honors*, in economics and English from the University of Florida.
