

PRESS RELEASE

TENZER PLLC MEMBER LAURA REICH RECOGNIZED IN PRESTIGIOUS CHAMBERS USA GUIDE 2017

MIAMI, FL – June 13, 2017 – Laura Reich, a member at Miami-based Tenzer PLLC who heads the firm’s litigation group, has been recognized as a top Commercial Litigation attorney in the State of Florida in the Chambers USA 2017 publication. The prestigious annual *Chambers & Partners* rankings are widely considered to be among the most reliable independent assessments of attorneys and law firms.

Reich was designated as “Up and Coming” in the Litigation: General Commercial – Florida category, one of only four attorneys to receive such a distinction. *Chambers & Partners* has a team of more than 170 full-time editors and researchers who conduct in-depth research and phone interviews of attorneys and clients to determine the top attorneys in 185 jurisdictions.

“I am incredibly honored to be included among some of the leading commercial litigators in Florida and beyond,” said Reich. “I also want to thank the dedicated attorneys and staff at our law firm. We truly work as a team to provide passionate representation for our clients.”

In the Chambers USA 2017 guide, the publication cited a peer’s enthusiastic review of Reich’s counsel in Intellectual Property cases and litigation arising out of bankruptcy. Reich “tackles every case with a zeal and enthusiasm that sets her apart, and is a pleasure to work with,” according to the guide. “She is very much guided by an intellectual honesty and a desire to reach the right result – she is a strong and professional advocate.”

With a practice focusing on complex, commercial disputes and arbitration, Reich has represented clients in state and federal courts, as well as before arbitration panels, both at the trial and appellate court levels. She has represented international and U.S. corporations and individual clients on a wide variety of issues, including breach of contract, violations of consumer protection statutes, breach of fiduciary duties, antitrust, garnishment, business torts, and regulatory matters. Reich also has experienced in arbitrations conducted under the rules of the AAA, the ICDR, and ICC.

Reich holds a law degree, with honors, from the University of Florida Fredric G. Levin College of Law and a bachelor’s degree, with the highest honors, in economics and English from the University of Florida. She was also the Galleys Editor for The Florida Law Review and a member of Florida Blue Key.
